

RANWORTH BROAD, NR13 6HY

OPENING TIMES: 24 hours
DISTANCE: 2 miles
ENTRY FEE: Free

A must for wildlife lovers, Ranworth Broad is home to a cornucopia of birds, butterflies and even otters! Rich in colourful flora, the views are second to none.

Disabled parking is available nearby, though there are no accessible toilets on-site. Ordinarily, visitors could access the visitor centre and take a boat-trip however you should check ahead to see whether these are open with local restrictions.

The route has hard surfaces making it suitable for wheelchair users, and whilst there is no seating, the route can be adapted to make it as short as required. There are several places to get refreshments in the village.

THE DRAGONS SAY:

'I liked the circular walk past the church and back into the village for a cup of tea.'
'Feeding the ducks on the Staithe is fun.'
