**OPENING TIMES: 24 hours**

**DISTANCE: 2.5 miles**

This walk will take you through the picturesque market town of Wymondham. You'll explore Tolls Meadow and even have a chance to see the magnificent Abbey which towers above everything.

There are plenty of shops and a cafe to enjoy, and hard surfaces so those in wheelchairs shouldn't have too much difficulty. However the roads can be a little busy, so be sure to exercise caution!

## **THE DRAGONS SAY:**

*"The town is very old with lots of interesting shops."*

*"The Abbey was very old. It is in very nice grounds."*
